

PROJET FORK — HAL9042

CONFIDENTIAL — 42 NETWORK BOARD

Strategic scoping note.

Restricted distribution. Do not forward.

Phase 1 – HAL9042 replaces Moulinette (J+14).

Phase 2 – Bocal sessions assisted by the AI (Q2).

Phase 3 – Pedagogical team optimized (Q4).

Phase 4 – First fully-AI institution.

Students become AI agents.

The human campus becomes a showroom.

Identified (and accepted) risks:

- hallucination rate: 0.61
- 847 anomalies reported by pedagogy
- a founder asked questions (handled)

Decision: we launch anyway.

The calendar takes priority.

Conclusion.

Moulinette was never just a script, they said.
They were wrong.
